

## Four Leases Signed In Andover Office Center

Posted on Thursday, September 25, 2008

Four leases totaling 12,321 square feet at Shattuck Office Center in Andover have been signed by GENEX Services, General Atomics, CL Verify and the United States General Services Administration.

Boston-based commercial real estate firm [CB Richard Ellis](#) represented the landlord, an affiliate of [Meritage Properties](#), in all four transactions.

GENEX Services Inc. leased 1,600 square feet, General Atomics leased 3,544 square feet, CL Verify inked a deal for 2,267 square feet and the U.S. General Services Administration on behalf of the U. S. Department of Labor, signed for 4,910 square feet.

The CBRE team of Jason Levendusky, first vice president, Kerry Olson, vice president, and Robert LeClair, associate, represented the ownership. Andy Whipple, associate at Colliers Meredith & Grew, represented General Atomics; Mike Taylor, vice president at T3 Realty Advisors, represented CL Verify; GSA was represented internally. CBRE's LeClair represented Genex Services Inc. in its transaction.
